## Marks & Clerk Luxembourg is client choice for 2010

---

22 April 2010

Marks & Clerk Luxembourg was recognised today in the Client Choice Awards for 2010. Uniquely, these awards survey senior corporate counsel only, with this year's winners chosen from a pool of more than 2,000 individual client assessments.

The accolade was announced by the International Law Office (ILO) today and distinguishes Marks & Clerk Luxembourg for its excellent client care and quality of service. The winners were identified based on an International Law Office subscriber survey of corporate counsel. Winning firms were chosen in 48 jurisdictions worldwide.

The criteria for the awards focus on law firms' ability to add real value to their clients' business above and beyond that offered by other players in the market. Firms were assessed on the following criteria: quality of legal advice, value for money, commercial awareness, effective communication, billing transparency, tailored fee structures, response time, sharing of expertise and use of technology.

Marks & Clerk Luxembourg offers a comprehensive range of services covering all aspects of intellectual property – patents, trademarks, designs and copyright.

The firm also boasts one of the largest European patent validation and translation services in Europe.
